KWIK TEK™ FOLDING ANCHOR SYSTEM

•3-1/3 pound 4-fluke anchor holds in mud, sand, gravel & rock •Designed for boats, sailboats, personal watercraft, inflatable boats, canoes & float tubes
•Coated to protect finishes •Durable padded nylon storage case
•Fits under most boat seats, in PWC storage compartments, or in PWC storage canisters •25' long marine-grade rope, with in-line buoy, spliced to anchor & heavy-duty stainless steel snap hook

Order #	Mfg. #	Sugg.Ret.
6102333	A-2	\$39.99

KWIK TEK™ PWC ANCHOR & BUOY

•For anchoring in shallow water •Vinyl & polyester yellow/purple anchor bag holds up to 35 lbs. rock or sand •Yellow buoy marks anchor's location •Heavy-duty, floating purple/red/yellow rope with large snap hook

Order #	Mfg. #	Sugg.Ret.
5501504	A-1	\$20.99

KWIK TEK™ SCREW ANCHOR SYSTEM

•Screw zinc-plated anchor into the beach •Giant snap hook at each end of 8' rope secures PWC or small boat to anchor •Padded nylon storage case protects watercraft and boats, dampens noise while stowed •Rope is purple, yellow & red

Order #	Mfg. #	Sugg.Ret.
5501591	A-3	\$23.99

MINN KOTA® TALON™ SHALLOW WATER ANCHOR

•Electro mechanical cable-driven design •Vertically deploys the spike, w/o fish-spooking noise •2-stage deployment on 6' & 8' models - 3 stage deployment on 10' & 12' models which offers up to 4' of additional anchoring depth w/out increasing the Talon's height •Deployment notification alarm at engine start-up •Auto Up/Down feature eliminates need to continually press button until the spike is completely deployed •Auto-Drive feature drives spike into the bottom w/3 successive hits w/increased force on each hit •Rough Water Mode repeats the Auto-Drive feature sequence 3 additional times at 10 sec. intervals to ensure a secure hold •10' & 12' models let you activate Soft Bottom Mode for less aggressive anchoring & easier retraction in water w/ muddy or silted bottoms •Built-in Wave Absorption functions like a floating suspension that allows 6" of "float" to prevent anchor from becoming unseated due to waves & chop •LED indicator lights display depth - 1' increments for 6' & 8' models - 2' increments for 10' & 12' models •No hydraulics •Easy to install & doesn't take a lot of storage space •With versatility of adjustments, vertically & front/back tilt 30° allows it to be mounted to any boat configuration w/o additional shims •Quick release bracket for easy removal •Can be used in freshwater or saltwater •2 wireless remotes included •Comprehensive 5-year warranty & limited lifetime warranty on the spike

TRAC® AUTODEPLOY ELECTRIC ANCHOR WINCH

•Anchor automatically releases the rope needed to hold boat in position
•3-Button Operation: Up, Down, & AutoDeploy •AutoDeploy automatically deploys anchor until it touches bottom smoothly & quietly w/single button push
•When rope slack becomes tight, rope is automatically released in short lengths unless locked w/the touch of any switch or remote button
•Let more rope out by powering the rope IN or OUT, or press the AutoDeploy button again if the anchor drags due to changing conditions, such as wind or current
•Great for fishing to allow a "controlled" drift
•Includes wireless remote control
•Standard features include rugged steel gears, 100-ft. of 0.20" diameter braided & pre-wound anchor rope, automatic resetting circuit breaker, sealed membrane switch, 17-ft. of 14-gauge marine-grade battery wire, anchor safety chain, & 2-Year Warranty
•Speed Up: 65-ft./min. •Speed Down: 70-ft./min. •NOTES: **Angler 25™ AutoDeploy Winch*** features removable davit; **Deckboat 35™ AutoDeploy Winch*** features integrated davit
